COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Applicants respectfully petition the Commissioner to invoke supervisory authority in the above-identified application and respectfully request that the Examiner acknowledge consideration of the references listed on the PTO-1449 Form filed on January 12, 2006, by providing Applicants with an initialed copy of the enclosed PTO-1449 Form listing the same.

The facts of this case are as follows:

- (1) A copy of the Information Disclosure Statement, the PTO-1449 Form, the references listed thereon, the Statement of Relevancy, and the International Search Report, as filed on January 12, 2006, including the date-stamped filing receipt evidencing the timely filing thereof, are attached hereto.
- (2) A Notice of Allowance was mailed on August 16, 2007. Notably absent however, was an Examiner initialed copy of the PTO-1449 Form acknowledging consideration of the references listed thereon.
- (3) Applicants undersigned representative contacted the Examiner on October 2, 2007, to request that the Examiner acknowledge consideration of these references by providing Applicants with an initialed copy of the PTO-1449 Form. The Examiner

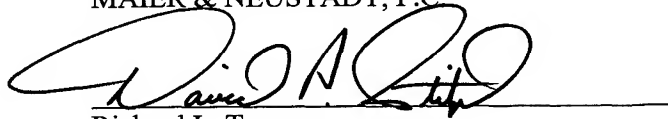

indicated however that neither the Information Disclosure Statement, the PTO-1449 Form, the references listed thereon, the Statement of Relevancy, nor the International Search Report, were scanned into the image file wrapper.

Accordingly, Applicants respectfully petition the Commissioner to invoke supervisory authority in the above-identified application and respectfully request that the Examiner acknowledge consideration of the references listed on the PTO-1449 Form filed on January 12, 2006, by providing Applicants with an initialed copy of the enclosed PTO-1449 Form listing the same.

An early and favorable indication of such action is earnestly solicited, as the issue fee and the publication fee must be paid on or before November 16, 2007.

Respectfully submitted,
